

2020 DOROTHY JEAN SCHOLARSHIP

RECIPIENT: KAYLA TAYLOR, LARA SECONDARY COLLEGE

Kayla Taylor, a student from Lara Secondary College, is in her final year of Agriculture at the Trades Skills Centre, Convent College. She has been a delightful addition to the team and we congratulate her for winning the Dorothy Jean Scholarship along with \$1,000 to contribute toward her career path in Agriculture. She enjoys the variety of tasks she puts her hands to and is thrilled to announce that *“this year I am doing my placement at Little River Pork, where I work closely with the sows and piglets”* and she will definitely continue to study and work in the Agriculture industry when she graduates from her senior year in VCAL.
