“We want to honour dad in a lasting way”

Dedicate a named Gift Fund In Memoriam

Giving. Forever.

In Memory of a loved one

After someone passes away, those left behind are sometimes motivated to further honour a loved one in a lasting way. Sometimes it is a reflection of their care for others. Or it is just the concept of their name being associated with helping people.

We invite you to join us and open a Memorial Gift Fund in your loved one's name. It is effective and is a permanent way of honouring someone's legacy in a philanthropic way.

Smarter giving

This is a simpler way of giving, that is tax deductible and carefully managed.

By consolidating, investing and growing donations, we are building long-term, reliable funding streams for the community of which your loved one was a part of.

Your donations can then make a bigger impact. You or others can add to it at any time. As grants are only made from the income of the corpus, this initiative will have lasting benefits, effectively giving forever.

Grants made address local key impact areas such as education, health, aged support, youth, community wellbeing, family support and the environment.

Create a legacy

By starting a named Memorial Gift Fund you will be creating a philanthropic legacy for your loved one, your family and friends. You will enjoy the experience of observing the impact of your initiative supporting a broad range of community organisations in our region and your nominated area of interest.

It is also a great example to others, encouraging philanthropy in this and future generations.

Support your local community

We focus on our region and its people, understanding and supporting local community needs. You can have confidence that your donation will make a difference, when and where it is needed most.

Make a start

Talk to us. We can answer all your questions and make all the arrangements needed to start your journey with your Foundation. Or simply fill in the form on right, detach and mail to us. Named Gift (Sub) Funds start at \$10,000.

Your Foundation

The Geelong Community Foundation is a local, independent, not-for-profit organisation.

Together with our donors, we are building a permanent, sustainable Foundation where only the income is effectively used for grant making.

Grants are given on the basis of local community need and pathways to encouraging behavioural change. The aim is to deliver relief, resilience and self-sufficiency.

Last year we gave over \$1,000,000 in grants, exclusively to local community organisations. All thanks to our donors, through donations and gifts in wills. Our low administration costs ensure more of your donations go to those who need it most.

The stronger we grow, the more we can keep giving and making a difference.

Partnering with us ensures you can make a bigger impact with your donation.

“It’s smarter giving,
now and forever.”
