

Philanthropy 500 Harnesses the Power of Collective Giving

How Does P500 Work?

Why Join P500?

Fund a **transformative grant** through a **\$500 donation**

Have **your say** in selecting the grant recipient

Broaden your understanding of **challenges faced in the Geelong region**

2020 P500 Grant Recipient

A \$46,000 grant was awarded to Feed Me Bellarine. Since March 2020, they have provided 104,000 meals to the community using food rescued from the region. The grant will support the organisation's growth, extending their program from Ocean Grove and the Surf Coast to Geelong.

Feed Me Bellarine CEO Lana Purcell described her organisation's mission is to get every hospitality and food outlet on the Bellarine Peninsula, Geelong and Surf Coast on a food waste movement. "We can feed our community in need with what was destined for the bin" Lana said.

How Can You Make a Difference?

The P500 grant will go to an organisation that positively impacts Community Wellbeing.

There are three key attributes that play a large role in community wellbeing: Connectedness, Live-ability, and Equity.

Grant applications will open in August for community organisations.

The P500 Committee will shortlist applications to three organisations.

P500 donors vote to determine the organisation that will receive the grant.
