## 2021 P500 grant recipient

A \$68,000 grant was awarded to Geelong Youth Engagement (GYE).

GYE programs support young vulnerable people who have an array of challenges including truancy, drug and or alcohol abuse, anti-social behaviour, family violence and mental health issues among others.

The Grant will fund administration costs of the new GYE Strive program for two years. The program dedicates time to physical activity and commitment to goal setting.

30 young people will benefit from the program in 2022 for 20 weeks and another intake of students in 2023 and beyond.

The P500 grant will go to an organisation that positively impacts Community Wellbeing.

There are three key attributes that play a large role in community wellbeing: **Connectedness, Live-ability, and Equity.**

Grant applications will open in August for community organisations.

The P500 Committee will shortlist applications to three organisations.

P500 donors vote to determine the organisation that will receive the grant.
